1290 Eruera Street, Rotorua

Designer/Data Entry - 20/24 hours per week

We are looking for someone with both flexible working hours and computer skills, to become part of our busy in house advertising department.

You will need to have a willingness to learn, and be computer literate with some working knowledge in CorelDRAW, Adobe Photoshop & QuarkXPress.

Your role will be supporting the senior designer in various aspects of design when called upon, and to complete a range of set daily tasks.

You will have the opportunity to work in a fun supportive environment, working both solely and collaboratively, and using your initiation to manage your work load to meet deadlines.

**If this opportunity interests you,
